August 8, 2017

Dear Friend of PKU Helping Hands,

On behalf of Beer Belly Bob's/Waterford Beverage and PKU Helping Hands, we thank you and your company for the raffle donation(s) for the 2017 Beer Belly Bob's/Waterford Beverage 5th Annual Golf Scramble in support of PKU Helping Hands. Our scramble was a tremendous success, and your support made that possible! Our goal is to deliver significant value for your sponsorship investment and we trust the exposure to business leaders who attended this popular event will prove beneficial to your company.

This year's scramble, held at Burden Lake Country Club, hosted 140 golfers and numerous volunteers. Your donation to our event provided an invaluable contribution to the scramble's ultimate success. During this event, we raised over \$7900. Each raffle left the golfers with smile on their face.

PKU Helping Hands is a tax exempt non-profit and will use the proceeds raised at the Golf Scramble to raise awareness and provide families and patients living with Phenylketonuria (PKU) much needed support. We help to offset the cost of medical food, formula and supplies, along with provide educational support and support research.

Thank you again for your continued support. We look forward to including you in next year's event and will be in contact as soon as a date is finalized. In the meantime, please visit our website for future events such as our upcoming Soiree: Dance in Blue for PKU at <https://www.eventbrite.com/e/dance-in-blue-for-pku-tickets-32193977052> or www.pkuhelpinghands.org.

Sincerely,

All of us at PKU Helping Hands:

Chrissy Burniche, President
Joe Burniche, Vice President
Danielle Mazzotti, Treasurer
James Carroll, Secretary
Erin Ogden, Director
Logan Burniche, Volunteer
Alexis Borden, Volunteer
